Property

PT Suryacipta Swadaya

PT Suryacipta Swadaya (Suryacipta), a seasoned industrial estate developer and management with a proven track record spanning over three decades, is pioneering a new era of smart city development. Following the resounding success of the 1,400-hectare industrial estate of Suryacipta City of Industry, in Karawang, West Java, the company presents Subang Smartpolitan - a 2,717-hectare integrated township. Embodying the principles of a “Green, Smart, and Sustainable City”, Subang Smartpolitan offers a comprehensive solution to meet the diverse needs of industrial land, commercial, residential, education and innovation centers alike.

PT TCP Internusa

One of the first projects by TCP is the development of Tanjung Mas Raya housing in TB Simatupang, South Jakarta. TCP subsequently developed the Edenhaus Simatupang luxury housing in Tanjung Mas Raya. In addition, TCP operates the following property: Graha Surya Internusa and Glodok Plaza.

PT Sitiagung Makmur

Sitiagung Makmur is the developer of the exclusive Umana Bali, LXR Hotels & Resorts in Bali. Inspired by Bali’s renowned uma, or ancient rice paddy fields, the total development area covers approximately 10 hectares of land comprising 72 luxurious villas.

PT Surya Energi Parahita

PT Surya Energi Parahita carries out business activities in the field of natural gas distribution through pipes and cooperates with State-Owned Enterprise as gas sources for the production of fuel from industries located in the Suryacipta City of Industry Karawang industrial area and the Subang Smartpolitan industrial area, West Java.

Construction

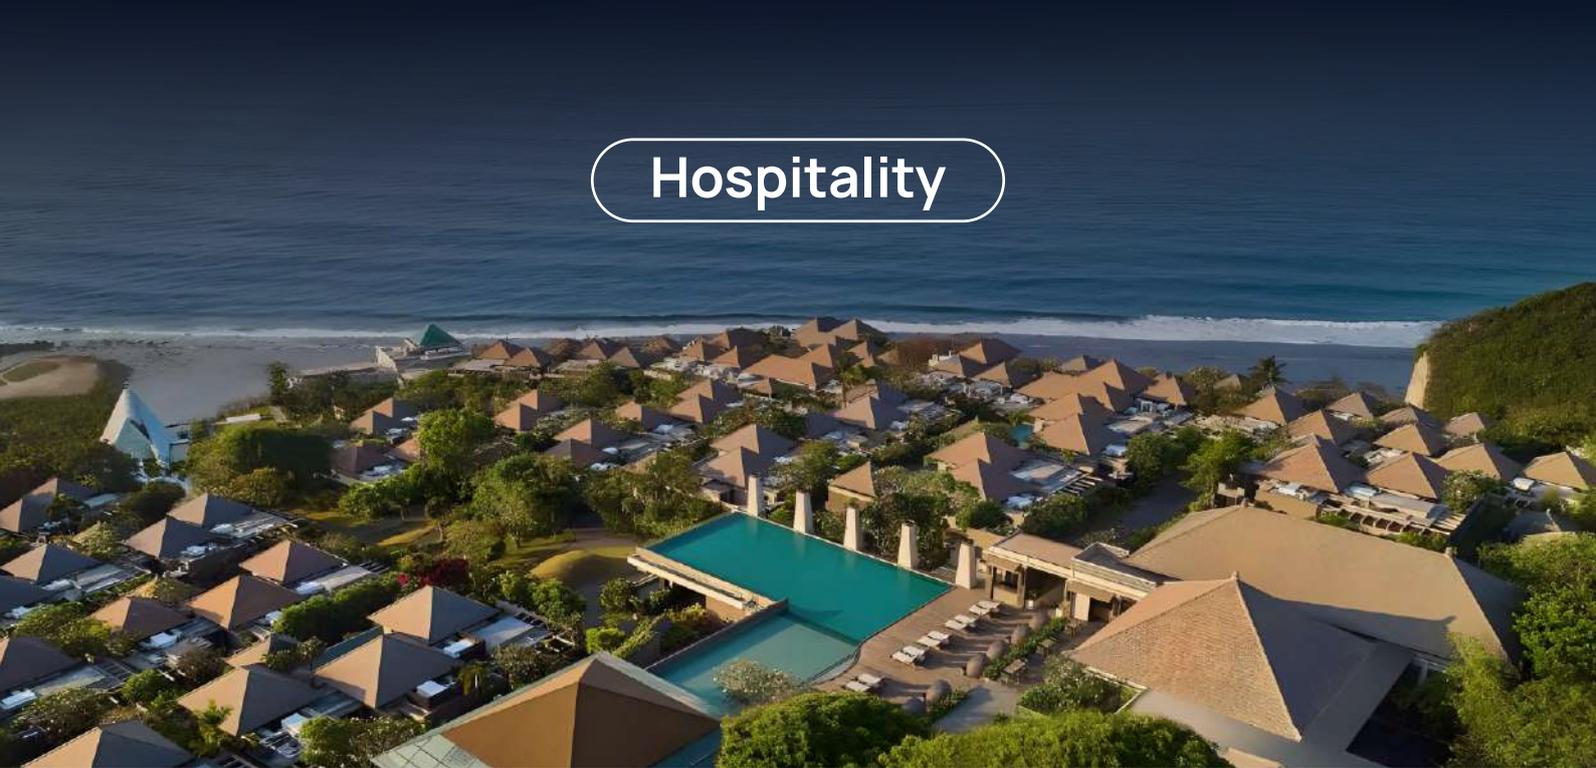

PT Nusa Raya Cipta Tbk

Operating in the construction services sector, PT Nusa Raya Cipta Tbk (NRCA) specializes in the construction of high-rise buildings, ranging from hospitality, apartments, shopping centers, offices, hospitals, industrial facilities, to structural projects, with a client portfolio comprising leading property groups in the country. With over 55 years of experience, NRCA excels in high-rise building construction.

Hospitality

PT Suryalaya Anindita International

The company operates in the hospitality sector, conducting business through two five-star hotels, namely Meliá Bali Hotel located in the Indonesia Tourist Development Corporation (ITDC) Nusa Dua and Gran Meliá Jakarta located in South Jakarta.

PT BATIQA Hotel Manajemen

PT BATIQA Hotel Manajemen (BHM Hospitality) manages a distinguished portfolio of BATIQA Hotels, a brand renowned for integrating Indonesia's rich cultural heritage into every aspect of the guest experience. With a presence in key locations across the country, BHM Hospitality is committed to delivering exceptional service, enhancing customer satisfaction, and driving innovation within the hospitality industry.

PT Ungasan Semesta Resort

USR manages the exclusive Umana Bali, LXR Hotels & Resorts in Bali. Inspired by Bali's renowned uma, or ancient rice paddy fields, the total development area covers approximately 10 hectares of land comprising 72 luxurious villas, each with its own private infinity-edge pool and outdoor hot tub, laid out in cascading terraces to afford panoramic views from every vantage point.

PT Horizon Internusa Persada (Travelio)

Travelio offers end-to-end property management services to simplify and maximize yield returns for property investors. For the customers, Travelio provides more than 20,000 choices of apartments and houses in 16 major cities across Indonesia, available for daily, monthly and yearly rentals.

Foundation

SMK Suryacipta

To manifest active role in formal education, Suryacipta established the Suryacipta Foundation on 6 October 2016. Through Suryacipta Foundation, Suryacipta Vocational High School (SMK Suryacipta) Karawang was created with the objective of providing quality education that meets industry demands. Since beginning operations in July 2019, SMK Suryacipta Karawang has pursued its mission through strategic partnerships with the Karya Akademi Teknik Mesin Industri (ATMI) Cikarang Foundation and Romer Consult Morschwil Switzerland, experts in Mechatronics Engineering. With strong support from industries within the Suryacipta Industrial Estate, SMK Suryacipta Karawang offers two flagship programs, Industrial Mechanic Engineering and Industrial Electronics Engineering, designed to prepare students to become competitive professionals in the industrial sector.
